

2010 Napa Valley Cabernet Sauvignon

Our Story

As the legend has been told, the amazing friendship between Daryn, Jason, and Tony had begun after being drafted to play professional football for the Green & Gold of Green Bay. The odds of three guys coming from different corners of the United States and realizing they share the same passion for premium wine and the finer luxuries of life caused an immediate bond that remains impossible to break. Through their many football games, world travels, and tall tales together, they envisioned a brand to represent their experiences. The Three Fat Guys brand is built on the everlasting connection to the memories of good times, humbling experiences and astounding victories. Drink every last drop, as this wine will be memorable.

"Enjoy our wine. Embrace your past. Create an unforgettable future. Cheers."
- The THREE FAT GUYS

Tasting Notes -

The delicate balance of palatial jaminess is perfected once again. Amazing depth was created by another slow winter and warm breeze throughout the year. An instant aroma curated by hints of mission figs, black licorice and wild black berries. The beautiful balance of new French oak barrels leaving tones of dark chocolate against the palate. The personality found in the tannin structure creates a mouthful attraction desiring more after the vibrant and distinct TFG Napa Valley Cab finish.

Vintage Notes -

Rains were less than normal to start the year, making many prepare for a hot summer, yet the Napa Valley was left with a colder than usual summer and warmer than usual Fall. Because the growing season was abnormally long, the vines reached maturity allowing the grapes to max out in tannins and create a richerdepth and ripeness. 2010 is a superior year and one to hold onto.
