

THREE

FAT GUYS

2018 Carneros Rosé of Pinot Noir

Our Story

As the legend has been told, the friendship between Daryn, Jason, and Tony had begun after being drafted to play professional football. The three guys soon realized they shared the same passion for premium wine as they did blocking for the quarterback. Through their many football games, world travels, and tall tales together, "Three Fat Guys" wine was born with a quest to carry on everlasting memories of good times, humbling experiences and astounding victories.

"Enjoy our wine. Embrace your past. Create an unforgettable future. Cheers."
- The THREE FAT GUYS

Tasting Notes

Made from small Pinot Noir vineyards owned by our friends throughout the Carneros AVA. Celebrated for its ripeness and balanced acidity, it is known for its fruit forward aromas and tastes of strawberries, nectarines and cherries while preserving its dry finish. Our only offering aged in stainless steel tanks to add to its crispness and vibrant finish.

Vintage Notes -

2018 was a bountiful year that started with recovery of a region scoured from the rage of wildfires. The wine country was ready to bounce back and so was our environment. A year cooler than most started with long raining periods and a nice cool summer. Wildfires raged in Northern California once again but far enough away that the smoke was of no affect but more helped cut the UV light from the sun. This left us harvesting grapes late into the year after the upmost perfect ripening that we have been a part of. 2018 will be a year to remember.
