

THREE
FAT GUYS

2019 Sonoma Valley Rosé of Pinot Noir

Our Story

As the legend has been told, the friendship between Daryn, Jason, and Tony had begun after being drafted to play professional football. The three guys soon realized they shared the same passion for premium wine as they did blocking for the quarterback. Through their many football games, world travels, and tall tales together, “Three Fat Guys” wine was born with a quest to carry on everlasting memories of good times, humbling experiences and astounding victories.

“Enjoy our wine. Embrace your past. Create an unforgettable future. Cheers.”
- The THREE FAT GUYS

Winemaker Notes: The different AVAs of Sonoma Valley are all influenced by the weather from the coast. This allows Pinot Noir to absolutely flourish across the valley. This year we added two more vineyards bringing our total to five small lots of different clones being blended into this wine. Each vineyard carries its own characteristics with the most important being its 100% Pinot Noir and it is owned by our dearest friends. Once we harvest and blend the different lots together it smells as if you are preparing a fruit salad to bring on a summer picnic. This wine screams to be opened on any warm day.

2019 began looking like another bountiful year similar to last. After a rainstorm in late May, these hopes disappeared. A true testament to the better vineyard managers and their ability to keep issues from arising. Steady warm weather throughout Summer allowed for the clusters of grapes to reach the desired ripeness at an above average date allowing for the perfect balance of sugars and acidity needed to harvest.

Tasting Notes: Made from small lot Pinot Noir vineyards owned by our friends throughout Sonoma Valley. Celebrated for its ripeness and balanced acidity, it is known for its fruit forward aromas and tastes of strawberries, nectarines and cherries while preserving its dry finish. Our only offering aged in stainless steel tanks to add to its crispness and vibrant finish. Serve cold and enjoy all year long.
